LB 645

then completely?

SENATOR HARRIS: Not all of the section, it simply amends the section to say that we will utilize the documentary film depicting and so on. In other words instead of remaking possibility, it says just utilize what is already in existence.

SENATOR KAHLE: Okay, one other question while I have the floor, is there...I haven't had a chance to open my book yet but is there an A bill connected with LB 645?

SENATOR HARRIS: Yes, there is an A bill and the estimated is I believe \$3,000 from the general fund.

SENATOR KAHLE: Okay, thank you.

SENATOR LAMB: Is there anyone else who would like to discuss the amendment? If not, Senator Harris, would you care to close on your amendment?

SENATOR HARRIS: It is a very simple amendment. I move the adoption of this amendment, Mr. Speaker.

SENATOR LAMB: The motion is the adoption of the Harris amendment. Those in support vote aye, those opposed no. Voting aye.

CLERK: Senator Lamb voting yes.

SENATOR LAMB: Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Harris' amendment.

SENATOR LAMB: Senator Kahle, did you wish to speak on the bill? Senator Harris, on the bill.

SENATOR HARRIS: Mr. Speaker, this bill is a statement by the State of Nebraska that we recognize a new technology which is going to be used in education and it is being used on the national level in education and it has to do with
